1. Pursuant to Search and Seizure Decision F00348,¹ the Specialist Prosecutor's Office ('SPO') hereby requests the Single Judge's authorisation for the SPO's further retention of the seized mobile telephone of Sabit JANUZI.
2. As previously reported to the Single Judge, the SPO executed the JANUZI search and seizure on 3 May 2023. The SPO seized one iPhone from JANUZI (the 'JANUZI Phone').
3. As previously reported,² the JANUZI Phone contains information relevant to the SPO's ongoing investigations, including evidence corroborating, *inter alia*, [REDACTED] prior statements to the SPO about attempts by JANUZI and others to intimidate [REDACTED] and to interfere with and obstruct [REDACTED]. JANUZI remains a suspect in the SPO's ongoing investigation into the serious offences of intimidation and obstruction of the administration of justice. The SPO's investigation is necessary to, *inter alia*, protect SPO witnesses and ensure the integrity of the ongoing judicial proceedings before the KSC.³
4. Relevant data has already been extracted from the JANUZI Phone, which the SPO will retain consistent with the Search and Seizure Decision F00348 and the Rules.⁴ The SPO's retention of the physical phone itself is also necessary. Specifically, it is necessary for the SPO to retain the JANUZI Phone through the conclusion of the ongoing SPO investigation and through the completion of any future judicial proceedings resulting from that investigation – including any future trial. Such retention is necessary to, *inter alia*, (1) preserve the ability to conduct further forensic investigation of the device as necessary, (2) ensure the proper preservation of the original evidence for potential use in further proceedings, including any trial, and (3)
