I. SUBMISSIONS

1. Pursuant to the Order,¹ the Specialist Prosecutor's Office ('SPO') hereby informs the Trial Panel that the following filings (excluding annexes) can be reclassified as public:

- F00297;
- F00329;
- F00337;
- F00343;
- F00356;
- F00436; and
- F00473.

2. The following filings should not be reclassified as public, and public redacted versions are being filed as instructed in the Order:

- F00286 and F00310, because the witnesses whose codes are mentioned in these two filings are individuals at high security risk.² Their witness codes should be redacted to avoid any unnecessary risk of identification that could stem from their association with the events in Kukës during the Indictment period. Redacting their codes will strengthen the effectiveness of their protective measures without compromising the publicity of the trial, particularly since these individuals were not witnesses in this case.
- F00331, because of the name appearing in paragraphs 6, 10, 12, and 13, which should remain redacted to give effect to the protective measures granted to a witness in this case.
- F00624, in order to safeguard the privacy of the individuals discussed in paragraphs 3 to 7 and 12 to 13 of the filing. These individuals did not testify

¹ Order for submissions on the reclassification of filings and/or submission of public redacted versions of filings, KSC-BC-2020-04/F00844, 11 July 2024 ('Order').

² Decision on the Specialist Prosecutor's request for continuation of protective measures pursuant to Rule 81, KSC-BC-2020-04/F00439, 27 February 2023, paras 206-210, 215-219, 225-229.

at trial, and their names as former prospective defence witnesses need not be made public.

Word Count: 252
