1. Pursuant to Rules 23(2) and 144 of the Rules,¹ and Article 3 of the Practice Direction on Video Links,² the Registrar hereby submits her assessment of the feasibility of facilitating the testimony of witness W04419 via video-link from [REDACTED].

I. PROCEDURAL HISTORY

2. On 4 March 2025, the Specialist Prosecutor's Office ('SPO') filed a request for the testimony of witness W04419 to be heard via video-link from [REDACTED] ('Request').³ The SPO has provided information on: (a) when the witness is expected to testify (the week of [REDACTED]);⁴ (b) the expected duration of direct examination (one hour [REDACTED]);⁵ (c) the country details ([REDACTED]);⁶ (d) an indication of whether the witness has any special needs;⁷ and (e) the language the witness will testify in (Albanian).⁸

3. Although not mentioned in the Request, the Registrar notes that witness W04419 benefits from protective measures, including [REDACTED].⁹

II. APPLICABLE LAW

4. Pursuant to Rule 144 of the Rules, the Panel may order that testimony be received via video-conference, provided that such technology permits the witness to be

properly examined. The Registrar shall ensure the efficient and expeditious implementation of any such order.

5. Pursuant to Article 3(1) of the Practice Direction on Video Links, “[t]o ensure the efficient preparation and organization of the Video Link, the Party requesting a Video Link shall, prior to or at the time of the request, inform the Registrar, in writing” of certain specified information.

6. Pursuant to Article 3(3) of the Practice Direction on Video Links, the Registrar may seek additional information, if required, to complete the assessment.

7. Pursuant to Article 3(4) of the Practice Direction on Video Links, the Registrar’s assessment shall address:

- a. any necessary measures to be taken as a result of a potential risk to ensure:
 - (1) the safety, well-being, dignity and privacy of individuals expected to participate in the planned Video Link; and
 - (2) in the event that the Video Link is intended for the taking of witness testimony, that the Video Link is conducted in a venue conducive to the giving of truthful and open testimony;
- b. information on consultations with a State, where applicable;
- c. the time required by the Registry to implement the order for the use of the Video Link; and
- d. the general feasibility of conducting the Video Link.

III. SUBMISSIONS

A. Feasibility assessment of video-link testimony

8. The Registry has conducted an assessment in accordance with Article 3(4) of the Practice Direction on Video Links, in light of the envisaged scheduling of the testimony of witness W04419, the expected duration of testimony, the country and location details, the applicable protective measures, and the language of the witness.¹⁰ The Registry has also assessed the location and the technical specifications that would be required to facilitate the testimony of the witness via video-link at a venue

¹⁰ Practice Direction on Video Links, art. 3(1)(a).

conducive to giving truthful and open testimony, and with the necessary measures in place to ensure the safety, well-being, dignity and privacy of the witness.

9. Based on the available information, the Registry assesses that it is technically feasible to conduct the testimony of witness W04419 via video-link, as further elaborated below.

10. The Registry notes that the witness benefits from in-court protective measures, namely [REDACTED].¹¹ Therefore, in light of the protective measures granted, the Registry assesses that secure video-conference ('VTC') facilities are required.

11. The Registry has assessed that the most suitable location to facilitate the testimony of the witness is [REDACTED]. This venue for the video-link testimony would also comply with the following requirements:

- a. the video-link location is on secure premises free from interference, to the extent possible, within the control of the competent authorities [REDACTED], where the confidentiality of the proceedings can be assured;
- b. the video-link testimonies would take place in a room that is sound proof, with appropriate lighting, and where the risk of disruption from outside noise is minimised;
- c. the witnesses will not be permitted to take any electronic devices into the video-link room.

12. [REDACTED].

13. In addition, Registry staff would ensure that that each video-link has the minimum technical functionality set out in Article 4 of the Practice Direction on Video Links, and that the applicable protective measures are fully observed.

14. [REDACTED].

15. The minimum amount of time normally required by the Registry to implement any order for the use of video-link testimony is [REDACTED] working days, to allow for travel to the location, set-up and testing of the technical equipment in

¹¹ See fn. 9 above.

[REDACTED], and to allow for the WPSO to complete the necessary witness information and familiarisation process, adapted to the location of testimony.

B. Health and Special Needs

16. Following completion of the WPSO assessments and familiarization process before the commencement of testimony, WPSO will inform the Panel immediately should any special measures be recommended, in accordance with the Registry's relevant internal regulations.¹²

C. Conclusion

17. In conclusion, at this time, the Registry assesses that it is feasible to conduct the testimony of the witness W04419 via video-link, should the Panel so order, in line with the above specifications and the Practice Direction on Video Links. Should the Panel grant the Request, the Registry will liaise with the competent authorities on the practical details for implementation.
