1. The Registry provides brief submissions to clarify its position in relation to the Thaçi Defence proposals regarding lesser redacted transcripts,¹ specifically regarding the 17 November 2025 transcript.
2. The Witness Protection and Support Office ('WPSO') wishes to clarify it did not intend to request the lifting of redactions applied to the 17 November 2025.² Rather, WPSO's position was (and remains) that should any redactions be lifted, the ERNs of the documents discussed in private session should remain confidential.
3. Therefore, the Registry does not object to the Thaçi Defence's proposal to maintain the current redactions to the transcript.
