1. Pursuant to the Order Setting the Date for a Third Status Conference and for Submissions,¹ the Registrar hereby provides the Pre-Trial Judge with information concerning translations.
2. On 3 February 2021, the Pre-Trial Judge requested the Registry to provide written submissions on: whether the Registry can provide an estimate on when translation of the Rule 86(3)(b) outline will be completed; and whether such translations can be provided on a rolling basis when translation of a section of the outline has been completed.²
3. The Registry estimates that the translation of the Rule 86(3)(b) outline, with revision, can be completed by the end of May 2021.
4. Translations can be provided on a rolling basis. The first portion of the document, approximately 150 pages, could be revised and provided by 20 April 2021.
5. The above estimates are based on four translators currently working on the document, to be followed by two revisers. The receipt of any higher priority translation requests may affect those estimates.
6. This filing is submitted as public in accordance with Rule 82(4).
