(4) Translations:

- a. whether and to what extent there are outstanding requests for translation, of documents or evidence, into a language the Accused understand, that are required by law to be translated;

(5) SPO and Defence Investigations:

- a. whether the SPO has completed its investigations;
- b. whether the Defence is in a position to provide updates on the status of its investigations, taking in consideration the Registrar's *Ex Parte* Submissions, including the estimated overall amount and type of evidence it intends to disclose to the SPO, and whether requests for protective measures are envisaged;
