

ANNEX 1 to
Veseli Defence Request for an Expedited Order

Public

Proposed Conditions for Mr Veseli's Interim Release

1. That Mr Kadri Veseli be placed under house arrest at his residential address, and that a member of the KPS would supervise those entering or leaving the address at all times (either in person or remotely with the use of a CCTV camera);
2. That Mr Veseli be prohibited from leaving the address at any time, except in case of medical or other emergency, in which case he is to remain in the physical custody of a police officer at all times, until he returns to his address;
3. That no telephones, telecommunications devices or internet enabled equipment be permitted inside the property at any time;
4. That Mr Veseli's residential address be searched in advance of his arrival for any hidden telephonic or internet-enabled communication devices. The property to be searched again upon his entry, and thereafter on a random basis;
5. That the only persons permitted to enter the premises, apart from police officers, are those persons whose names appear on a pre-approved list of family members and other persons entitled to visit him at his place of residence with the advance approval of the Pre-Trial Judge of the Kosovo Specialist Chambers. Access to be denied to any person who is not verified as being on the pre-approved list of approved visitors;
6. That visits of the aforementioned pre-approved persons to Mr Kadri Veseli's residential address be coordinated in advance by way of notice to the Kosovo Police;
7. That any person entering the house be required to surrender any mobile phone or internet-connected device prior to entering the property;

8. That any person (including family members) entering the property consents to the subsequent monitoring of their mobile phone or other communications devices for the duration of Mr Veseli's period of provisional release;
9. That any person entering or leaving the property be searched for the possession of any communication device (telephonic or internet-enabled device), written message or other document;
10. That the Kosovo police perform random checks of Mr Veseli's residential address in order to verify whether Mr Veseli, his family members and/or those visiting him are abiding by the above-mentioned terms and conditions of release and, in particular, do not have any mobile phone or internet-enabled device at the said residential address;
11. That the Kosovo Police notify the Registry of the Kosovo Specialist Chambers **immediately** if Mr Veseli or any of his family members or those visiting him at his place of residence be found to have violated the aforementioned terms and conditions of release.
