## I. SUBMISSIONS

1. On 10 December 2021, the Trial Panel, by way of Oral Order, directed that the Defence submit a time estimate for the further cross-examination of SPO Witness 4841 and 4842.<sup>1</sup>
2. The Defence for Mr. Haradinaj advises that it anticipates no more than 30 minutes for each witness will be required, and in all likelihood, significantly less, noting that the Defence for Mr. Gucati will cross-examine first, and it is only if any relevant issue is not raised there, that the Defence for Mr. Haradinaj would seek to ask any further questions.
