Registrar's Submissions on Reclassification

Specialist Prosecutor's Office

Alex Whiting

1. Pursuant to the Single Judge's Decisions,¹ the Registrar confirms that public redacted versions of the Registry filings covered by the Decisions have been filed in the record. Among others, redactions applied aim to maintain confidentiality of the security assessment process carried out by the Registry in relation to the custodial visit requests, and details as to the information taken into account in this regard.
2. With this in mind, the Registrar requests the Single Judge to maintain the current classification of Annexes 1 and 2 of filings CR001/F0009 and CR002/F00009, filed on 7 March 2023, as they refer to matters submitted and considered in the context of the Registry's security assessment of the requested custodial visits.
3. This submission is filed as confidential and *ex parte* pursuant to Rule 82(4) of the Rules.² The Registrar does not object to this filing being reclassified as public.
