1. The Defence for Mr Hashim Thaçi (“the Defence”) hereby joins the Selimi Defence Motion for Exclusion of Evidence of Witness W02652, which requests the Trial Panel to exclude the evidence of W02652 pertaining to a number of incidents of [REDACTED], on the ground that such evidence is not relevant to any material facts pleaded in the Indictment, especially since it is outside the Indictment period, and that its prejudicial effect outweighs its probative value.¹

2. The Defence fully supports and endorses the arguments submitted by the Selimi Defence and joins the relief requested in the Motion.
